The Conservatory of Flowers is honored to host an array of events, and we aim to welcome vendors that suit the needs of your special occasion.

Below you will find our closed list (required vendors) and open list (recommended vendors.) Should you have any questions about where to start in your vendor search, we always recommend consulting first with COF event staff for a most efficient search.

### Closed List

**CATERING**

Caterers must be selected from the approved list. In the event that you are not able to find an appropriate caterer for your event here, the COF may approve another vendor and will automatically apply a $1,000 off-list fee to your rental balance.
