Private Event Vendors

The Conservatory of Flowers is honored to host an array of events, and we aim to welcome vendors that suit the needs of your special occasion.

Exclusive Food and Beverage Caterer

Closed Catering List

If our exclusive caterer absolutely cannot accommodate a menu request, the Conservatory will consider and if appropriate, approve an outside vendor which will automatically apply a $1,000 non-exclusive caterer fee to your rental balance.

Pre-Approved Vendor List

All listed vendors have helped to produce exemplary events at the COF and are highly esteemed in the Bay Area special event industry. While we encourage making your first calls to these vendors, you are welcome to seek other vendors for any service beyond catering and lighting.
